

KARPETS BY RKS

THE BRAND

This Ministry of Textiles-awarded company manufactures and exports expertly handcrafted artisan rugs in a variety of materials.

THE ORIGIN

Established by Rupesh Baramval in 1989.

THE PRODUCT

Karpets By RKS creates world-class rugs of the highest standard by giving an elegant, timeless spin to meticulous craftsmanship. Its diverse portfolio is made up of hand-knotted Persian carpets, loom-knotted rugs, flat-weave and pile kilims, Indo-Tibetan carpets, Kashmiri carpets and Soumaks, apart from designer works that beautifully complement tasteful and refined spaces. In keeping with its design philosophy, the brand has rolled out the new Paradise Collection. Here, recycled saree silk fibre is turned into a lasting canvas with a plethora of colourful designs and a variety of textures. The result is a stylish, artistic piece of handmade finesse that will grace your home or office interiors and bring comfort under your feet.

MATERIAL 100 per cent saree silk, New Zealand wool or bamboo silk, besides combinations such as wool-tencile and wool-silk.

COLOUR Available in four bespoke colour combinations and an array of custom colours.
